From The Pro Shop

Hello to everyone!

Thank you all for another great year at the club. We appreciate each of you and know you have a choice of where you play golf and socialize. Thank you for supporting our tournament schedule, our social events, and the club in general. Brian, Sheila, and our staff truly appreciate your support of Dye's Walk Country Club!

We would also like to give a special thank you to outgoing presidents **GEORGE WILSON** and **ANNMARIE GRIFFITH** for taking time out of their schedules to lead the Men's and Ladies Clubs in 2009. Thank you for all of your hard work and time!

Brent

Our first **FAMILY FALL FESTIVAL** will be held on Saturday, November 7. It will feature face painting, cookie decorating, craft tables, and even hayrides for the kids. A kid friendly buffet will also be available! The evening fun begins at 5:00pm and ends at 8:00pm. The cost is \$5.99 for kids under 10 and \$7.99 for adults. You think you're smart? Back by popular demand is another **TEAM TRIVIA NIGHT!** The fun filled night will take place on Friday, November 13th at 7:00pm. Please get a team of 8 together or simply let us know you're looking for a team and we can help! The cost is \$10 per person and cash prizes will be given away. In Appreciation

In appreciation for another great season, each of you (1 per household) should have received an email inviting you to bring up to three guests between late October and December 23rd. Green fees will be waived for these guests as a thank you to our members. All guests must be brought on the same day. The same person may not be a guest of multiple members as the goal is to get new people to play at the club. Simply bring the certificate into the Pro Shop on the day you play and your guests green fees will be on us! If you did not receive this certificate, please see Brent in the Pro Shop and we will get you one as soon as possible. Thank you again and we look forward to seeing you and your guests!

Tournament Results

The season ending tournaments have all been concluded and there was a lot of good play to report. The Ladies Club Closing Day "Team Ribbon" tournament was won by **C.J. HOUSTON, SUE WINTERS, and JODI GORALL** with a great score of 134 in the Two Net Best Ball format event. Coming in second with a score of 137 was the team consisting of **LYNETTE MCCARTY, CARLA BEESON, MADLYNNE CROOKS, and DEBBI NEWMAN!!** Congratulations to all of you!!

The Men's Club Fall Classic featuring individual stroke play with both gross and net winners being crowned took place in early October. Winning the gross division was **BOB JORDAN** with a fine score of 73 followed closely by second place finisher **CHUCK CAMPBELL** with 74 and third place finisher **MIKE GROTHE** with 75. In the net division, **RICH WHITE, CHUCK EVERIDGE, and RON MONTEITH** all had fine scores of 66 with Rich winning the championship via the tie-breaker! Closest to the pins were won by **MIKE GROTHE** on #3, **JON HELTON** on #8, **PETE STALNAKER** on #13, and **STEVE WILLIAMS** on #17. The annual Closing Day Scramble was hampered by cold conditions but 9 teams still came out to play on October 17th! The winning team won via a chip-off after shooting a great score of 57! The team consisted of **TED BLANFORD, MIKE MINOR, ERIC KING, DENNIS EMBERTON, and CONNIE ROHM!** Congratulations to each of you on the win!

The first annual **ROB'S REVENGE** tournament was held on the day after the Closing Day Scramble as will be the case for years to come. Rob (but mainly Christina) had the course set up ridiculously difficult for all of you to "ENJOY". Tough pins, back tees, tough conditions, and some extra effort on Christina's part made play extremely tough as confirmed by the day's scores. The winners are listed below.

MEN'S GROSS

1. **MIKE ABDALLA** 90
2. **BRYAN MILLS** 91
3. **CHRIS PFEIFLE** 92

MEN'S NET

1. **ERIC KING** 78
2. **GREG WERTZ** 80
3. **DARRYL ESKEW** 83

WOMEN'S NET

1. **JOANNE EMBERTON** 93
2. **MICHELLE MILS** 96
3. **SUE WINTERS** 98

Thank you to all who played and to Rob and Christina for their extra effort to make the day fun for all!
Please send complaints directly to Christina!! Email available upon request!

Message From the Pro

Each time I attend meetings with fellow PGA professionals or coaches from other universities that are also golf professionals like myself, I continue to hear negative comments about their clubs, members, courses, or the golf business in general. I must be one of the lucky ones. Other than normal issues that are present in everyday business at the club, I feel like we are as strong as we can be in the current economic environment. There are always things that can be better but I want you all to know that I feel very fortunate to work at a club where the future looks bright! That is not currently common. Our members support the efforts of our ownership and staff and that support doesn't go unappreciated. We will continue to strive to make things better for each and every one of you. I know there will always be bumps in the road as we go through changes each year but I can assure you that I (and I know Brian feels the same way) feel very fortunate to have as many members, and more importantly as many members caring about this club as we do. I encourage all of you to continue to support the efforts at the club as Brian and Sheila strive to make OUR CLUB a centerpiece of Center Grove!

Please continue to encourage new members to join, companies to host outings and events at DWCC, brides to host receptions here, and current members to continue to support the events at the club as this will all help ownership in accomplishing their goals! If their goals are accomplished, our experience as staff and members will be greatly upgraded. Thank you again for being a great group of members.

I also want to take a second to thank our superintendent **ROB BUCKNER** and his staff. Under his guidance, OUR golf course has rebounded from one of the toughest years in the recent past. Rob has not only shown the knowledge to improve our course, but more importantly that he actually cares about the membership and producing a great golf course for us to play on. There are always issues to deal with and different views from individual members, but I know we all have the same goals in mind and we have the right guy to get us there. Rob has dealt with member concerns in a professional manner and is always looking to find better ways to accomplish our goals regarding the golf course. From day one his priority has been to improve the overall health of our turf and he has done a great job in getting that accomplished. Although things that seemed important to members and staff had to take a back seat occasionally, the goal never changed and Rob never wavered from his plan. Thank you for producing a great place for us to play Rob! Congratulations on your first year at DWCC!

Lastly, I want to thank you for another year of supporting me in my secondary job as the Head Coach at University of Indianapolis. I continue to receive many emails and messages wishing our team luck and congratulating us on good finishes. I know coaching takes me away from serving you as the professional at the club in the spring and fall seasons and I apologize for that but the relationship our club has with the university is a great one and is a positive for both parties. We are currently ranked #13 in the country and look to keep improving this spring. I also appreciate the relationships you have created with my team members! They appreciate the support as much as I do. Thank you again for helping me and supporting me as I try to accomplish goals at the club and as a coach at UIndy!

Thank you for another great year and I look forward to what the future holds for our club. It's a great place and I appreciate you all as members!
