

Next Level Golf

No Sips... Just Tips

Ladies, you've learned the fundamentals, now learn how to maximize your golf swing and game to lower your scores.

Monday May 6th 6-7PM

- Drills to increase swing speeds and added consistency.
- Learn to line up properly to your target

Monday May 13th 6-7PM

- Uneven lies, punch shots and difficult pitches. Dye's Walk is beautiful, but combating the pesky uneven lies can be challenging. Learning to recover from under trees and funky spots around the greens is a must.

Monday May 20th 6-7PM

- No fear over water. Conquer your fear of hitting over the water with tips and insights to help you "tell" that ball its going over the water.
